

Join Our Team at Berkshire Family Mediation

Berkshire Family Mediation is a well-established charity with an excellent reputation, run by a small and like-minded group of family mediators operating on a consortium-style model. We are a busy and thriving service with a Legal Aid contract and offices in Reading and Newbury—and we're looking for an **accredited family mediator** to join our team.

What You Can Expect:

- A close-knit, supportive organisation with regular supervision, monthly team meetings, and the opportunity to be involved in the day-to-day running of the service
- Access to an efficient case management system to help you manage and run your cases smoothly
- A generous remuneration package with a healthy balance of Legal Aid and private work—offering **65% to 80% of private fees**, depending on the type of work
- A flexible working arrangement: we ask for a commitment of at least **two days per week**, ideally with one day in either our Reading or Newbury office. We're also open to applicants outside the area who can offer Zoom-based mediation.
- CIM training is desirable but not essential
- You'll be responsible for your own administration, so strong organisational skills and the ability to produce accurate work under pressure are essential

See berkshirefamilymediation.org.uk for more information about us.

If you're interested, please email {swood@setfords.co.uk} with a copy of your CV or if you would like an informal chat, please contact Aideen Mattimore PPC on 01189 571159 Option 2

Closing date: We're keeping this open until we find the right person—so don't wait too long to get in touch!
